

EXPERTS IN PORTABLE
TECHNOLOGY

SRL Solar Plus® Portable CCTV

Offering great performance in any light or no light at all, the SRL Portable CCTV is easy to deploy and delivers a complete 360° overview around the clock.

Key features:

- Complete 360° panoramic view with virtual pan/tilt and zoom, Fisheye view or Quad view.
- 12 MP sensor for best-in-class picture quality.
- SRL Solar Plus® improves system battery life.
- 4G connectivity using multi network roaming SIM (EE, 3, O2 & VODA).
- 3.5m retractable mast.
- SRL Telematics provides battery status and location (subscription required).
- Configurable alerts for analytics triggers
- Multiple portable cameras can be configured to create a single, scalable system.

Key benefits:

- Rapid deployment and one-button operation
- Improved site security.
- Improved health and safety on site.
- Zipstream technology reduces data cost and bandwidth by 50%.
- Site incidents captured and stored for 30 days for auditing purposes.
- Zero carbon emissions omitted from product during operation.
- Reduction in carbon emissions due to fewer battery exchanges.

Analytics:

AXIS Fence Guard
For intrusion detection

AXIS Loitering Guard
For detecting loiterers

AXIS Motion Guard
Smart motion detection

Technical Specification:

Dimensions	705 mm x 575 mm x 2900 mm
Hight deployed	3.5 m
Weight (without batteries)	118 Kg
Weight (with AGM batteries)	316 Kg
Weight (with AGM batteries & SRL Solar PLUS®)	324 Kg
Operating Current	1.5A
Operating Voltage	12v
Operating Temperature	-40/+50 °C
Sensor type	Axis M3058-PLVE
Max video resolution	2992x2992
Min illumination/ light sensitivity (Color)	0.19 lux
Vandal rating	IK10
IP rating	IP66
ISP	EE, 3, O2, VODAFONE
Product identifier	CP3-CCT-000127

SRL Solar Plus®

Dimensions	601mm x 546 mm
Weight	8 Kg
Maximum power ± 5%	52W
Operating temperature	-40/+85 °C
Safety class	A
Conversion of sunlight	24%
Cell technology	Monocrystalline silicon
Product identifier	SPL-SP-000142

Conforming to the Directives and Standards outlined below:

2014/30/EU - Electro-Magnetic Compatibility Directive (EMC) 2016 (SI 2016 No 1091)

2011/305/EU - Construction Products Regulations 2013 (SI 2013 No 1387)

SI 2005 No 1803 - General Product Safety Regulations 2005

BS EN 50293 - Electromagnetic Compatibility Road Traffic Signal Systems Product Standard IEC 61215, IEC 61730 and IEC 61701 certified solar panel
